

**REPORT/RECOMMENDATION TO THE BOARD OF SUPERVISORS  
OF SAN BERNARDINO COUNTY, CALIFORNIA  
AND RECORD OF ACTION**

August 12, 2003

FROM: KEN A. MILLER, Director  
Department of Public Works – **Transportation**

SUBJECT: **ESTABLISH A THROUGH HIGHWAY ON JOAQUIN MILLER ROAD- LAKE  
ARROWHEAD AREA**

RECOMMENDATION: Adopt resolution to establish: (1) Joaquin Miller Road as a through highway at its intersection with John Muir Road, and (2) Joaquin Miller as a through highway from John Muir Road to and including the intersection of Bret Harte Road, in the Lake Arrowhead area.

BACKGROUND INFORMATION: Subsequent to a request from a local resident, the Department has conducted a traffic engineering investigation in a residential tract located in the Lake Arrowhead area. The investigation revealed the existence of view obstructions at several intersections within the residential tract. Also, traffic is not required to stop when entering these intersections from any direction. Joaquin Miller Road was determined to be the major highway based on traffic count data compiled from the Department's count data. Therefore, in the interest of public safety, the Department recommends establishing (1) Joaquin Miller Road as a through highway at its intersection with John Muir Road, and (2) Joaquin Miller Road from John Muir Road to and including the intersection of Bret Harte Road, in the Lake Arrowhead area per County Code Section 52.0111(a)(1)

REVIEW BY OTHERS: This item was reviewed by Deputy County Counsel Charles S. Scolastico on July 30, 2003 and County Administrative Office (Tom Forster, Administrative Analyst) on August 1, 2003.

FINANCIAL IMPACT: There is a cost incurred of approximately \$1,000 to install the appropriate signs, as well as minor administrative costs to update Department records. Funds are available in the Department's 2003/04 Operations budget.
